Re. strike in the "Times of India', Bombay

SHRI SURESH KALMADI (Maharashtra): Sir, the *'Times of India'* of Bombay is on strike. The Chief Minister has colluded with the INTUC leader, Mr. Gulab Joshi, and is harassing the press people who want to go to work. It is a matter of deep concern and a question of the freedom of the press. They want it to be the Times of Indira everywhere and if any Opposition role is given or news is given, a strike is created. In the *Times of India* of Bombay, the strike is instigated, which is a sad thing. The Central Government must see that the State Government is checked and preserve the freedom of the press.
